# LAFEME

Thanks to the perfect combination of design and technology, you won't need any more space than you would for a conventional toilet. Sesto, the compact sleek design, fits great in virtually any space and brings out a fantastic modern touch without compromising convenience, design, sustainability, or quality.

This Model includes air-gap assessed and found to comply with the requirements of AS 2845.2:2010.

No further BACKFLOW PREVENTION is required for this connection to water supply
